

**FOE****Training Robot**

**FULL NAME:** Opponent-Zapping Megawatt Warrior Mark III

**MADE IN:** Battle-Sim Zone Beta

**DATA FILE:** Armed with crushing claws and electro-blasters, training robots give even the toughest cadets the fight of their lives

**LIKES:** Zapping opponents

**DISLIKES:** Not zapping opponents

**DID YOU KNOW?** The training robots like to relax by watching a nice film . . . about zapping opponents

**VISITOR****Spielsaur**

**FULL NAME:** Stefano Shawnius Spielsaur

**BREED:** Vulcanodon **PLANET OF HATCHING:** Vulcavocado

**DATA FILE:** Stefano Spielsaur is one of the greatest film directors in dinosaur movie history

**LIKES:** Making films. Nice, comfy folding chairs

**DISLIKES:** Audiences eating popcorn during his movies (unless they offer him some)

**DID YOU KNOW?** Spielsaur never uses scissors – he simply shouts: “CUT!”

**VISITOR****Cammino**

**FULL NAME:** Krankshaft Cammino

**BREED:** Woolly Rhino **PLANET OF HATCHING:** Hawn

**DATA FILE:** With eyes as sharp as his horns, Cammino and his camera skills are constantly in demand

**LIKES:** Cameras. Action movies

**DISLIKES:** Greasy grass in the film canteen

**DID YOU KNOW?** Cammino owns 2,236 different camera tripods – the largest (and most boring) collection in the Jurassic Quadrant!

**SHIP****Jet-Canoes**

**FULL NAME:** Astro Jet-Canoe (Supersplash Class)

**MADE IN:** DSS Aqua Workshop 4

**DATA FILE:** Powered by dung-driven rockets, jet-canoes offer sleek and stylish motion on the ocean

**TOP SPEED:** 200 miles per hour

**NO. OF MILES PER DUNG BUCKET:** 75 (or more if it's not very damp dung)

**DID YOU KNOW?** Jet-canoes are supposed to be unsinkable – but there's always a first time . . .
